

# A Random Walk Down Wall Street

## By Burton G Malkiel

Updated with a new chapter that draws on behavioural finance, the field that studies the psychology of investment decisions, here is the best-selling, authoritative and gimmick-free guide to investing. Burton Malkiel evaluates the full range of investment opportunities, from stocks, bonds and money markets to insurance, home ownership and tangible assets such as gold or collectibles. This edition includes new strategies for rearranging your portfolio for retirement, along with the book's classic life-cycle guide to investing, which matches the needs of investors in any age bracket. "A Random Walk Down Wall Street" long ago established itself as the first book to purchase before starting a portfolio and this "entertaining and informative" ("Financial Times") book remains the best investing guide money can buy.
